RE: Miguel Luis Reyes
Dkt. No. 07-00361-001
Request for Modification of Condition

Dear Judge Walls:

On August 21, 2007, Your Honor sentenced the above-captioned individual for false information and hoaxes, and received a 30-month custodial sentence, following three years supervised release. The following conditions were imposed: mental health treatment and cooperation with DNA collection. Supervision commenced on March 23, 2009, after being released from the Bureau of Prisons.

Currently, the offender is residing at the Hoboken Homeless Shelter, 300 Bloomfield Avenue, until he can afford to finance his own apartment. In the meantime, the offender expressed a desire to attend anger management, due to his inability to control his temper. He also has a history of aggression towards women and was convicted in 2000 for assaulting a three-year-old child. As a result, we referred him to anger management treatment on March 29, 2009, at Jersey City Medical, which is given every Monday night for 26 weeks. The offender is actively seeking employment, and he has remained compliant with the conditions of supervision.

Please review the attached Probation Form 12b. If the Court concurs with our recommendation, please sign the attached modification. We would make ourselves available should the Court wish to discuss this matter.

Respectfully submitted,

CHRISTOPHER MALONEY, Chief
U.S. Probation Officer
